

K.F. Johnson is a Queens, New York native residing in Atlanta, Georgia. As a child, she habitually failed to make curfew before the street lights lit. Consequently, she had plenty of time to hone her writing skills while on punishment, & continued to develop her talent later while obtaining a B.A. in Psychology at Spelman College. In 2012, she published her 1st book for her social media friends & family to see. To her surprise, it went viral, repeatedly reaching #1 on Amazon's top 100 for its genre. With her new fan base cheering for more, this mother & wife has blossomed into a witty & cunning author, penning spicy, realistic & deadly tales of African American Romantic Suspense.

LIAR'S BALL

Sex, lies and danger never read so *good!* The action continues in Liar's Ball as siblings Brenda and Brian Andrews seem to be on the road to happiness with their new found loves, but does anybody in their family ever tell the entire truth? With the introduction of their half-brother Julian into the mix there's enough scandal and mayhem to spread around.

WHEN I'M BAD, I'M BETTER

Deadly, sexy and suspenseful personified! Blood is thicker than water but loyalty is rarer than greed. You shouldn't judge a book by its cover, but when the sins of these 4 cousin's past threaten to destroy the facades they've worked so hard to maintain, some of them will do anything to prevent their covers being blown. They say good girls finish last...but when they're bad, they're better!

WHAT I'D DO FOR LOVE

A woman scorned is a dangerous woman. Greer Patterson always felt like an outsider. Loathed by her step mother and half siblings for being the green eyed, fair skinned product of her black father's affair with a white woman; she's never truly felt loved by anyone except her father and husband Michael. When Greer's life as she knows it comes crashing down after discovering her husband's torrid affair, she decides to take matters into her own bloody hands. Soon, after sending Michael to his untimely death and framing his mistress, she begins feeling something she's never felt before...powerful. Now, with a new found confidence and the freedom, if she can stay out of jail, she's determined to stop anything and anyone from standing in the way of true love again!
